## The Week's News Forecast

Washington, D. C., April 4.—A number of important cases will be taken up by the United States supreme court when that body reassembles Monday. Foremost on the list is the case of Bradley W. Palmer versus the State of Texas, involving the right of the Walers-Pierce Oil Company to do business in Texas.

During the week the American battleship fleet will conclude its target practice at Magdalena Bay and prepare for the final lap of the long trip to San Francisco. According to announcement of the Navy Department stops will be made at San Diego, Los Angeles, Santa Barbara and Santa Cruz.

The political activity of the week will be confined principally to the Republicans. State Conventions of that party for the selection of delegates to the national convention are to be held in New York, Massachusetts, South Dakota and Virginia.

The "insurgents," led by Governor Crawford will control the convention in South Dakota, and it is expected the eight delegates chosen will be for Taft. Virginia also is looked upon as favorable to the Taft movement.

The New York convention will, of course, endorse Governor Hughes for the presidential nomination and will bind its delegates to vote for him. Governor Hughes will be permitted to make his own selection of the four delegates-at-large and it is expected that General Stewart L. Woodford, President Chairman Woodruff, President Schurman of Cornell University, and ex-Governor Frank S. Black will make up the "big four."

There will be a heated contest in the Massachusetts Republican convention, which will meet in Boston Friday. The Taft men will fight for instructions, the opposition will oppose them, and there may be a compromise under which Secretary Taft may be mentioned in a merely complimentary way. Or it is regarded as possible there

may be no mention made at all. In that event it will be regarded as something of a setback for the Taft boom.

More than ordinary importance is attached to the action of the Massachusetts convention because of its probable influence on the conventions to be held later in other New England States.

Secretary Taft and William J. Bryan, regarded to date as the leaders in the race for the presidential nomination on the Republican and Democratic tickets respectively, will be active on the stump during the week. Secretary Taft, who has been in the Middle West for several days, will penetrate as far as Nebraska and will be heard in Omaha and other large cities.

Mr. Bryan is scheduled to spend four days of the week touring New York State. This will keep him there until the eve of the Democratic State convention and is intended to give encouragement to his followers who will take part in the gathering. It is hardly expected, however, that it will result in any strong endorsement of the Nebraskan from the State convention.

Governor Johnson of Minnesota, another of the candidates for the presidential nomination, will take a trip South for the purpose of speaking at the dedication of the Minnesota monument on Shiloh battlefield. Before returning home it is expected he will be heard in political addresses at several points.

Events of the week that will interest followers of sports and athletics will be the fight between Jimmy Brit and Packie McFarland in San Francisco, the amateur court tennis championships in New York, and the opening of the baseball season of the South Atlantic League.

A carnival and pageant in celebration of the tenth anniversary of the first introduction of automobiles in New York will open in that city Monday and continue through the week.

## CAMPAIGN CONTRIBUTION

### Large Amount Declared Given Some Years Ago.

New York, April 6.—The sum of approximately \$700,000 involved in the Wall and Cortlandt Street Ferry and Railway company deal, which has been under investigation by the grand jury, included a political contribution of \$500,000, with interest, made by the Metropolitan Street Railway company in the presidential campaign of 1900, according to an explanation said to have been given to the grand jury by Thomas F. Ryan. Mr. Ryan has been a witness before the grand jury in connection with this case, and it was learned that the jury will soon hand up a presentment containing an outline of Mr. Ryan's explanation of the deal.

Mr. Ryan said that when it was decided that the Metropolitan Street Railway company should make a big contribution to the 1900 campaign fund, a further decision was made to make it through Mr. Ryan, W. C. Whitney, Thomas Dean, P. A. B. Widener and W. L. Elkins. There was a further understanding that they were to be reimbursed by the Metropolitan for their contributions with interest at 6 per cent. Consequently the five men sent their personal checks for \$100,000 each to George K. Huhn & Sons of Philadelphia, by whom the money was paid over to the campaign committee.

It is said that no mention is made in Mr. Ryan's testimony as to which political party received the money. It was two years after the contribution was made, according to Mr. Ryan, before an opportunity was afforded to repay Mr. Ryan and his associates the sum they advanced. Then came the opportunity to purchase the Wall and Cortlandt company.

In making the payment to Anthony N. Brady by the simple method of adding five times \$100,000, with interest thereon at 5 per cent, for a little over two years, Ryan, Elkins, Widener, Dolan and Whitney were handed back their campaign contribution made in 1900. The amount each received, according to Mr. Ryan's explanation, was \$111,000.

### WHAT BLISS SAYS.

No Such Contribution Made to the Republican National Committee.

New York, April 4.—Cornelius N. Bliss, treasurer of the Republican national committee, said that so far as the Republican party is concerned no contribution of \$500,000 was made to its campaign fund by the Metropolitan Street Railway company in 1900.

Mr. Bliss' statement was brought forth by the publication reported of the contents of a presentment soon to be made by the New York county grand jury based upon evidence before that body by Thomas F. Ryan. "I read that story," said Mr. Bliss, and so far as the Republican party is concerned it is absurd. No such thing ever happened. Five hundred thousand dollars is a big sum of money, and had anything like that occurred I would have known about it."

A national Bank with a responsible list of Shareholders—all home people—all well known—all identified with the best interests of the Town and County in which the Bank is located should naturally receive preference over a National Bank with shareholders scattered all over the State, many of them with no interest in the town or county, save to draw their dividends and take the money from your midst.

Our list of Shareholders have been published from time to time and every Dollar of our Earnings has been kept at Home and today is being loaned to our Farmers and Merchants.

### The Daily Eagle

Entered at the Postoffice in Bryan,  
Texas, as second class matter.

BY CARNES & WALLACE

BRYAN, TEXAS, APRIL 5, 1908.

Bryan's clean up campaign is a  
most gratifying success. Now we know  
that life in a clean town is worth  
living.

If, as some predict, not more than  
half of the counties in the state vote  
in the May primary the result will not  
be decisive.

Senator Culberson is one statesman  
who does things and wastes no time  
running for office or defending his  
record. And there are others.

In Missouri chicken stealing is a  
felony. The Georgia negro preacher  
who declared that chickens are not  
property will not extend his mission-  
ary tours into Missouri.

The council of State presidents of  
the Farmers' Union at Little Rock de-  
cided that the farmers should hold  
their cotton till they get 15 cents.

The Fort Worth and Denver last  
month reported a record of 90 per cent  
in arrivals of trains on time. If one  
Texas road can do it why can't others?

"Single woman should pray for hus-  
bands," says the bishop of Buffalo. And  
after the prayer is answered they will  
find the need of prayer greater than  
ever.

It is reported that Roosevelt after  
leaving the White House will visit  
Brazil. There is plenty of big game  
in the jungles of the Amazon, such as  
jaguars, tapirs and alligators.

The New York custom house reports  
for March show a heavy falling off in  
the importation of luxuries, especially  
in jewelry and precious stones. The  
importation of staples was about nor-  
mal.

A Chicago jury has decided that  
\$50 hats are not included in necessary  
household expenses, for which a hus-  
band in moderate circumstances is  
legally liable. The jury consisted of  
nine benefits and three bachelors.

Fort Worth is rejoicing over early  
potatoes in the market. Bryan has had  
them till they are no longer a novelty,  
also onions, lettuce, turnips, radishes,  
beets, strawberries and lots of other  
garden truck.

What was left of the national popu-  
list convention after the Bryan men  
bolted nominated Tom Watson for  
president. The nominee has not  
said whether or not he will be an also-  
ran again.

Uncle Joe Cannon, the boss of the  
standpatters, has weakened on wood  
pulp, under the concentrated fire of  
the united press of the whole country.  
This breach in the lines of the pro-  
tectionists is the beginning of the end  
of the robber tariff monopolies.

#### SOCIAL AND CLUB MATTERS.

Mrs. W. C. Lawson entertained the Week-End Club in a most charming way on Friday afternoon at three o'clock at the home of Rev. and Mrs. J. B. Turrentine. Thirty guests met and enjoyed the lovely hospitality of the occasion. Everything breathed a spirit of the spring time. Mrs. Lawson assisted in receiving and entertaining her guests by Mrs. Walter Wipprecht and Mrs. Turrentine. Forty-two, always popular, amused the crowd for some time, six games being played. Delicious cream and cake was beautifully served by the hostess, and Miss Ruth Turrentine and Miss Ida Wipprecht, to the five tables of players, who were Mesdames Cliff A. Adams, Kinnard, R. S. Webb, W. C. Davis, E. J. Fountain, Lem Hall, G. W. Emory, Frank Webb, Boatwright, Burger, Bethany, J. H. Webb, R. M. Gordon, R. J. Roberts, Jno. M. Lawrence, E. J. Jenkins, R. O. Allen, Walter Wipprecht Gibbs, A. F. Wilson, Ed Derden, Priddy, V. B. Hudson, J. B. Turrentine, Carnes, Lawson; Misses Nellie Battie, Francis Fountain, Coulter and Peale.

The club will meet with the president, Mrs. H. A. Burger, on Friday afternoon at three-thirty.

One of the most enjoyable meetings the Bachelor Girls had this season was held with Miss Emily Peale on Wednesday. A musical contest was greatly enjoyed, after which Mrs. W. C. Davis and Miss Hettie Smith sang beautiful songs, and Miss Lilian Parks played several selections on her piano. Beautiful girls were tastefully arranged and gave added freshness to the already pretty rooms. In a cut for the winner Miss Laddie Cavitt was presented, by Miss Nell Battie, a beautifully tied package and on opening it found it to contain a lemon. That being April Fool day the incident created much merriment. Strawberry cream and white cake were served.

The Bachelorettes' Club and a few visitors were entertained on Friday afternoon by Miss Mabel Zimmerman at the home of her mother Mrs. Minnie Zimmerman. Handsome palms, ferns, and lovely cut flowers, together with this crowd of prettily dressed girls with spring hats, it was indeed a pretty picture to look upon. Miss Eugene Edge, the dainty little daughter of Mr. and Mrs. E. H. Edge, passed a picture to each guest and a story written pertaining to the picture. At the proper time each story was read. The prize was a Christie picture presented to Miss Irma Harris by Miss Mary Wilcox. Strawberry cream and cake were served. The next hostess will be Miss Adeline Sanders.

The handsome home of Mr. and Mrs. Jno. M. Lawrence was the scene of a merry gathering on Monday afternoon when Mesdames Lawrence, Jas. H. Webb, Albert Worley and M. H. James entertained the ladies of the Home Mission Society of the Methodist church. Every guest was given cordial greeting and all had a good time. Sewing and pleasant conversation was indulged until a late hour, when the thoughtful hostess served sherbet and cake. The ladies look forward with much pleasure from one of these meetings until the next. The April meeting will be held at the home of Mrs. A. M. Wadrop.

Mr. and Mrs. M. S. Hewitt entertain-

ed Miss Ada Board's class of girls and Mr. Hewitt's class of boys at their home Friday evening. There were fifteen present and a program of music games and conversation made the evening memorably pleasant. Fruit cream and cake were served. The cordial hospitality of the host and hostess completely won the hearts of the young people.

HRDU

If the weather controls prices farmers and planters and gardeners need not fear low prices but the weather does not control when speculators want to butt in against natural causes. Short grass in the best dairy sections will probably cause dairy products to demand good prices and dairy interests will do well to keep their low lands in grass.

Immediately following April 4 a great high temperature wave will cross the continent accompanied by light showers. Temperatures will persistently remain high and all vegetation will rapidly progress, causing an unusually early spring in northern sections, particularly in the great central valleys.

The disturbance following April 4, will have greatest intensities in the eastern states and will become a storm of more than average force about April 9th out on the Atlantic. At the same time the following storm will be at its greatest force on the Pacific slope.

CONGRESS OF ITALIAN SOCIETIES  
A congress of the representatives of Italian Societies of Waco, Dallas, Houston, Galveston, and Beaumont will convene here today under the auspices of the Italian Agricultural and Benevolent Society of this country, and will continue over Monday. The meeting is called for the purpose of forming a general organization.

Mr. George Norrell, Formerly of this City and a Student of the University—Son of Mr. and Mrs. Geo. W. Norrell.

Relatives in this city were advised Friday evening of the death of Mr. George Norrell, 21 years old, a son of Mr. and Mrs. Georges W. Norrell of Houston, and a sophomore at the State University at Austin. Mr. Norrell was born and reared in Bryan, and his sudden death from heart failure was a great shock to the people of this city, as well as to the family and friends in Houston, the present home. Mr. Norrell had been playing ball and it is thought the shock of a cold bath produced the fatal result. Mr. Norrell leaves his parents and two sisters, Mrs. J. G. Leavell and Miss Grace Norrell. Mr. Norrell's remains were laid to rest in Houston yesterday, and accompanied to that city by six classmates of the University.

### ANOTHER BIG STANDARD CASE.

Chicago, Ill., April 4.—The action instituted by the government against the Standard Oil Company of Indiana, on the charge of accepting concession from the Chicago & Eastern Illinois railroad on shipments of oil from Whiting, Ind., to Evansville, Ind., is on the docket for trial next Monday in the United States district court here.

The case was originally set for trial before Judge Landis, who declined to hear it, and it was transferred to the calendar of Judge Bethea. It is a larger case than that involving the Chicago & Alton, which was tried before Judge Landis, and in which a fine of more than \$29,000,000 was imposed on the Standard Oil company.

The Chicago & Eastern Illinois case includes 2124 counts and under them a maximum fine of \$42,480,000 is possible.

## DECLARES SHE IS HAPPY

Feels as Truly Married as Had  
Seven Bishops Officiated.

### BALCOLM NAME ASSUMED

Floretta Whaley Says God United Her and the Man Who Forsook His Wife and That No Human Agency Can Put Them Asunder.

San Francisco, April 4.—Floretta Whaley, who eloped with Jerry Knode Cook, formerly pastor of St. George's church at Hempstead, L. I., in an interview published in the Examiner under the name of Floretta W. Balcolm, the name now taken by Cook, says:

"My life since leaving Hempstead has been happy. I feel that I am as truly married to Mr. Balcolm as though the ceremony had been performed before the altar and by seven bishops. If I had not loved Mr. Balcolm I would not have come west with him, and I regard myself just as truly bound to him as though the church sanctioned our union. God surely joined us and no human agency shall put us asunder. If Mrs. Cook obtains a divorce we will be married before the law."

Mrs. Balcolm, as she styles herself, says there is no truth in the stories that they had hard time making a living. Balcolm, she says, is an expert workman and makes \$4.50 per day. She says when the estate is settled she will have between \$100,000 and \$150,000.

### ANARCHISTS MADE LEAVE.

Had Gathered to Protest Against Suppression of Publication.

Paterson, N. J., April 4.—Barred by the local authorities from every hall in the city, the anarchists of the local group were frustrated in their attempt to hold in the office La Question Sociale a meeting of protest against the suppression of the publication. Captain Taylor, with five officers, appeared at the office of the newspaper after some seventy-five persons had gathered there and were listening to remarks alleged to be denunciatory of the government's action relative to the publication. Despite the protests of the publisher and his adherents the room was cleared. No arrests were made.

During the evening while the crowd was gathering there was circulated a four-page circular in which President Roosevelt and the newspapers were scored in several languages for the closing of the mails to the anarchist publication.

### JUSTICE PREVAILS.

In This Instance Court Dignitary Won With His Fists.

New York, April 4.—Justice James A. O'Gorman of the supreme court engaged in a hand to hand fight with a giant negro, who had forced his way into the O'Gorman residence early Saturday, it is alleged, for the purpose of burglary.

The negro first gave battle to Justice O'Gorman's butler when the latter tried to eject him from the house. Hearing the scuffle Justice O'Gorman first telephoned for the police and then joined in the fight, using his fist to such advantage as to put the negro to flight. The police arrived in time to arrest the intruder.

Fifty Thousand Workmen Put Flowers on Departed Comrades' Graves.

Rome, April 4.—A procession of 50,000 workmen of Rome made its way through the main thoroughfares Saturday to the cemetery where are the graves of the men killed in the rioting last Thursday. The progress of the men was witnessed by thousands of people from balconies, windows and roofs along the line of march. Upon arriving at the cemetery wreaths were deposited on the graves of the victims. Fiery speeches were delivered, but there was not an outbreak or disorder of any kind. Authorities had taken precautions to have troops present in large numbers.
